At BCA, students are encouraged to serve as Christ would serve and to be a blessing to those being served. With this mindset, their work will reflect integrity, diligence, care, and excellence for the glory of God. Our goal is from Galatians 5:13 which says, "...but by love, serve one another."

BCA High School students are required to perform a minimum of 30 community service hours per year as part of their education requirement. A senior who has completed 150 or more hours of community service will be honored with a silver service cord at graduation. Service may be volunteered at church, at school after normal school hours, or in the community. Any summer volunteer service will be added to the upcoming school year. Community service is not (1) where the student receives remuneration of any kind, (2) self-improvement workshops or conferences, (3) rehearsal or practice times, (4) service performed as a disciplinary action, (5) service to fulfill an academic requirement, (6) babysitting for an individual family, or (7) service to family members or a business for profit. **A student may only receive up to 10 hours credit for summer mission trips.** Our main objective is to serve in the community in which we live.
